

NAHRO Professional Development

Managing Maintenance

With Certification Exam

Don't Miss This Training Opportunity

NAHRO Professional Development's **Managing Maintenance** is a three-day course that will sharpen your management planning, including your work order system and personnel management skills. Through case studies you will discover new ways to formulate work standards and improve your PHAS score as well as how to communicate effectively with staff members and residents. This Managing Maintenance Seminar will be presented by NAHRO Faculty Member, [Jon Gresley](#).

Become NAHRO Certified™

Certification is a declaration of professional competence. Affirm your knowledge and skills by achieving **NAHRO's Certified Maintenance Manager (CMM)** designation. This certification is for new and established technicians, supervisors, and managers of affordable/assisted housing maintenance.
